# SAMBHAR LAKE

(An Important Wetland and Natural Heritage)

## CIWSA TEAM

Dr. Brij Gopal

Dr. Ranjeet Kaur  
Dr. Radha Raman  
Dr. Soumana Dutta  
Prof. K.C. Sharma  
Amir Bhatt  
Deepak Chauhan

## INTACH TEAM

Dr. Ritu Singh  
Sajid Idrisi  
Monika Sah  
Abhishek Kumar  
Manu Bhatnagar

JUNE, 2016

INDIAN NATIONAL TRUST FOR ART AND CULTURAL HERITAGE  
(INTACH), NEW DELHI  
CENTRE FOR INLAND WATERS IN SOUTH ASIA (CIWSA), JAIPUR

## TABLE OF CONTENTS

1. INTRODUCTION .....	1
Location and Geographic Setting .....	4
Major Physical Parameters of the Lake.....	4
Sambhar Lake - A Ramsar Site .....	4
Significant Characteristics.....	7
Sambhar Lake : The Historical Context.....	9
Socio-Cultural and Religious Importance .....	9
Salt Making at Sambhar Lake .....	12
Threats .....	21
2. CATCHMENT AND LAKE .....	23
Climate .....	30
Catchment, Topography and Drainage.....	33
Morphology of the Lake Basin.....	36
Geology .....	44
Hydrogeology.....	46
Land Use .....	47
Settlements and Demography.....	52
Water Quality .....	52
Groundwater Level.....	56
Sediments .....	66
Vegetation In The Watershed.....	68
Biodiversity .....	72
Phytoplankton.....	72
Microbial Diversity.....	73
Macrophytes .....	73
Fauna.....	74

Zooplankton .....	75
Benthic Macroinvertebrates .....	75
Mammals .....	76
Waterfowl.....	76
Ecosystem Processes .....	80
Ecosystem Services of Sambhar Lake .....	80
3. HUMAN USE AND IMPACTS .....	82
Salt Production.....	82
Government vs Private Salt.....	85
Human Impacts .....	87
Human Settlements .....	89
Recent Developments.....	91
4. CONSERVATION AND MANAGEMENT ISSUES.....	94
Research .....	95
Recommendations .....	96
5. ANNEXURE - I.....	98
6. ANNEXURE – II Other Field Observations .....	108

## LIST OF IMAGES

Image 1 : Receding Waters of Sambhar Lake Exposing Dry Bed.....	5
Image 2 : Sambhar Lake is One of the Last Remaining Breeding Habitat of Flamingos Birds	6
Image 3 : Migratory Birds in a Satellite Wetland Near Sambhar Lake .....	8
Image 4 : Green Bee-eater sighted in Sambhar Catchment .....	8
Image 5 : Shakambhari Devi Temple and Dry Sambhar Lake Bed.....	10
Image 6 : Devyani Kund Located at South East of Sambhar Lake .....	11
Image 7 : Sambhar Salts' Train Transporting Raw Salt at Sambhar Lake .....	13
Image 8 : Crystallised Salt piece from Sambhar Lake.....	15
Image 9 : Salt Pans in Sambhar year 1900 .....	16
Image 10 : Salt Stacking In Sambhar Year 1900.....	16
Image 11 : Salt Pans at Sambhar Lake.....	17
Image 12 : Brine Formation at Sambhar Lake.....	18
Image 13 : Salt Formation in Process .....	18
Image 14 : Salt Refining in Process at Hindustan Salts Pvt. Ltd.....	20
Image 15 : Jhapok Dam in Sambhar Lake [Towards West] .....	28
Image 16 : Jhapok Dam in Sambhar Lake [Towards East] .....	28
Image 17 : Information Board Highlighting Lake and Dam Details at Jhapok .....	29
Image 18 : Satellite Wetland In Sambhar Lake Catchment.....	34
Image 19 : Trench Around Sambhar Lake To Prevent Encroachment .....	38
Image 20 : Soil Collection from Sambhar Lake .....	68
Image 21 : Vegetation in Upper Basin of Sambhar Lake .....	69
Image 22 : <i>Capparis decidua</i> (Kareel) in Sambhar Catchment Area .....	70
Image 23 : <i>Suaeda spp</i> - common saline habitat plant species in Sambhar Catchment .....	71
Image 24 : <i>Calotropis procera</i> (Aank) in Sambhar Catchment Area.....	71
Image 25 : Herd of Nilgai on Dry Bed of Sambhar Lake.....	74
Image 26 : Grasshopper Sighted in Sambhar Lake Catchment .....	75
Image 27 : Board Highlighting Migratory Birds at Jhapok Dam .....	77
Image 28 : Flamingos Sighted in Hindustan Salt Pans, Sambhar Lake.....	79
Image 29 : Flamingos in Satellite Wetland of Sambhar Lake .....	79
Image 30 : Loading of Raw Salt Collected From Salt Pans .....	83
Image 31 : Salt Refining at Hindustan Salts Ltd.....	84
Image 32 : Illegal Borewells in the Catchment of Sambhar Lake .....	86

Image 33 : Real Estate Development in Sambhar Lake Catchment .....	90
Image 34 : Solid Water Disposal Near Lake Bed of Sambhar .....	91

## LIST OF MAPS

Map 1 : Location of Sambhar Lake .....	1
Map 2 Sambhar Lake Map With Major Features .....	3
Map 3: Sambhar Lake Basin.....	23
Map 4 : Distribution of Catchment in Districts on Google Imagery Base.....	25
Map 5 : Sambhar Lake Catchment Map With Major Features .....	26
Map 6 : [12 Dec/1987] - Rain Deficient Year – Note Absence Of Salt Pans At Nawa and South of Lake .....	39
Map 7 : [12 Dec/1990] - Rain Deficient Year – Note Absence Of Salt Pans At Nawa and on South of Lake .....	39
Map 8 : [12 Dec/1992] – Good Rain Year – Note The Appearance of Salt Pans At Nawa and on South of Lake .....	40
Map 9 : [12 Dec/1996] – Good Rain Year – Note The Appearance of Salt Pans At Nawa and on South of Lake .....	40
Map 10 : [12 Dec/1987] – Good Rain Year – Note The Increas of Salt Pans At Nawa and on South of Lake .....	41
Map 11 : [12 Dec/2002] - Rain Deficient Year – Note The Spreading Of Salt Pans At Nawa and on South of Lake .....	41
Map 12 : [12 Dec/2002] – Local Rain Deficient Year – Note The Spreading Of Salt Pans At Nawa and on South of Lake .....	42
Map 13 : [12 Dec/2007] - Rain Deficient Year – Note The Spreading Of Salt Pans At Nawa and on South of Lake .....	42
Map 14 : [12 Dec/2010] – Local Rain Deficient Year – Note The Widespread Salt Pans At Nawa and on South of Lake .....	43
Map 15 : [12 Dec/2016] – Average Rain Year – Note The Spread Of Salt Pans At Nawa and on South Away From Lake .....	43
Map 16: Landuse/Landcover of Sambhar Lake Catchment [IRS LISS-4, 2014] .....	50
Map 17 : Landuse/Landcover of Sambhar Lake Catchment [IRS LISS-4, 2014] .....	51
Map 18 : Sampling Locations of Surface Water [June, 2015].....	55
Map 19 : Ground Water Samples Tested For Water Quality, June, 2015 .....	55

Map 20 : Depth To Water Level Of Jaipur District, Pre-Monsoon, 2006. [Circle Marks The Catchment Area Of Sambhar Lake].....	58
Map 21 : Depth To Water Level Of Jaipur District, Post-Monsoon, 2006. [Circle Marks The Catchment Area Of Sambhar Lake].....	59
Map 22 : Status Of Ground Water In Jaipur District As On March, 2004[Circle Marks The Catchment Area Of Sambhar].....	60
Map 23 : Depth To Water Level Of Ajmer District, Pre-Monsoon, 2006. [Circle Marks The Catchment Area Of Sambhar Lake].....	61
Map 24 : Depth To Water Level Of Ajmer District, Post-Monsoon, 2006. [Circle Marks The Catchment Area Of Sambhar Lake].....	62
Map 25 : Status Of Ground Water In Jaipur District [Circle Marks Catchment Area Of Sambhar Lake] .....	63
Map 26 : Depth To Water Level Of Nagaur District, Pre-Monsoon, May, 2011. [Circle Marks The Catchment Area Of Sambhar Lake] .....	64
Map 27 : Depth To Water Level Of Ajmer District, Post-Monsoon, November, 2011. [Circle Marks The Catchment Area Of Sambhar Lake] .....	65
Map 28 : Soil Sampling Locations.....	67
Map 29 : Borewells and Direction of Underground Pipelines in Sambhar Lake Bed as Observed During July 2015 .....	87
Map 30 : Lake Area Proposed For Installation Of Solar Power Farm.....	92
Map 31 : Recommended Buffer Zone Stretches and Flamingo Habitat.....	97

## LIST OF TABLES

Table 1 : Type of Salt Produced From Sambhar.....	14
Table 2 : Year Wise Salt Production In Sambhar (In Tonnes) .....	19
Table 3 : Catchment Area Details.....	24
Table 4 : Jaipur District Rainfall (mm) (Last Five Years- 2012-2016) .....	31
Table 5 : Ajmer District Rainfall (mm) (Last Five Years- 2012-2016).....	31
Table 6 : Nagaur District Rainfall (mm) (Last Five Years- 2012-2016) .....	32
Table 7 : Sikar District Rainfall (mm) (Last Five Years- 2012-2016) .....	32
Table 8 : Lake Magnitudes from National Wetland Atlas.....	33
Table 9 : Evaporation Rates (mm/day) .....	36
Table 10 : General Morphometric Features Of Sambhar Lake.....	37
Table 11 : Distribution of Landuse in The Catchment .....	48

Table 12 : Landuse/Landcover Classification [IRS LISS-4 dated 16th March, 2014].....	48
Table 13 : Landuse/Landcover Classification [IRS LISS-4 dated 16th March, 2014] (10 km Buffer Area Only).....	49
Table 14 : Population and Occupation Data [Census 2001 & 2011].....	52
Table 15 : Water Quality Parameters [June 2015].....	54
Table 16 : Soil Parameters From Locations Along Lake Edge .....	66
Table 17 : Waterfowl Census (20 January, 1993) - Reproduced From Gopal & Sharma, 1995 .....	77
